Introducing Bob the Builder™ and Curious George™!

Curious George™

Curious George brings his mischievous behavior to the world of BRIO®! From infant rattles, blocks, soft and activity toys to genuine railway trains and sets, George is a classic character that parents and children can share together through reading and role play toys that capture his amusing world. Come join the adventure!

A NEW ADVENTURE FOR CURIOUS GEORGE!

Bob the Builder

Can We Build It? Yes We Can!

BRIO® introduces Bob the Builder and his crew of machines based on the new television series. Working together they get the job done! Each vehicle has personality and working features that let your child role play and interact just like his favorite characters on the show. Compatible with the BRIO® Wooden Railway System, your child will create hours of adventures as he develops problem solving skills and imagination!
